

BIOPROCESSING NETWORK

BPN are pleased to announce:

The next SA BPN meeting will take place at the Waite campus and will be a chance to see the links to some of our food and beverage producers. Local cheese, smallgoods, beer, wine and kombucha will be on offer, accompanied by some of the people who spend their time producing the products.

Full details of the upcoming conference will also be presented.

***Food industry connections to
bioprocessing - SA conference launch***
