## Tour of CSL Clinical Manufacturing Facility

**Wednesday 12th October, 2011**

BPN is pleased to announce a tour of the CSL Clinical Manufacturing Facility at Parkville, with a talk by Simon Green, Snr VP Global R+D Product Development, on CSL's Future activities in the recombinant field.

This represents an excellent opportunity to inspect and learn more about this world class facility.

Admission will be \$10 and will be limited to 30 people.

Attendees will be expected to gather at 5:30 pm for a 6:00 pm start. This will be followed by tour of the facility of approximately 30 minutes. Light refreshments will be provided before and after the tour.

Please book at: <http://www.trybooking.com/VQB>

Address any queries to: [Joe.Bertolini@csl.com.au](mailto:Joe.Bertolini@csl.com.au)

### Directions:

Enter Via Gate 1, you will be advised where to park, issued with name tags etc and should wait for instructions to the Auditorium, Penfold Theatre.
