

Corporate Membership

To enable the Bioprocessing Network to provide the best possible support for all members, the network is seeks corporate support. The corporate support will be used to establish and maintain the Bioprocessing Network including a website, the operational costs of the association and to assist in underwriting BPN events.

Annual Corporate Membership is \$500 per company and entitles Corporate Members to:

- Their logo and link to be placed on the BPN website.
- Details of individual company events to be listed on the website
- Priority in booking exhibition space at the annual BPN Conference
- Priority sponsorship opportunities for the BPN Conference.
- Formal acknowledgement of corporate membership to the BPN.

To become a corporate member of BPN please tick the box on the table below and provide your company details and logo:

Type of support	Cost
Membership	\$500
